

# YOU'RE INVITED

Disability Equity Collaborative's  
Research Workgroup Presentation:

## **Providing Hearing Assistance to Veterans in the Emergency Department Setting**

**Wednesday, October 5th at 12p ET**

Dr. Jan Blustein will present findings from a pilot study demonstrating that providing an assistive device to Veterans with hearing loss in an emergency department setting improved the communication and experiences of patients and clinicians.

Jan Blustein, MD, PhD  
Professor of Health Policy and Medicine  
NYU/Wagner
